"All About Aubrey" - - follows international superstar and multi-platinum recording artist Aubrey O'Day as she launches the next stage of her career. The lead singer in Danity Kane, one of the hottest all-girl bands with multi-platinum albums, O'Day had it all -- fame, glamour, talent, and an entourage. But her sassiness got the best of her, and she was ultimately fired in the most shocking way -- on national TV during an episode of "Making the Band" by her demanding boss, Diddy.

Now O'Day is ready to make a comeback and stake her claim in the industry. And once again, she plans to do it with the whole world watching. But this time it's going to be different -- it's going to be on her terms.

At 26 years old and a little more worldly, O'Day is ready to tackle the tough questions. Will she find Mr. Right? Can she prove to the industry that she has the star power to get back on top? Can she put in the hard work to deal with the cameras, the gossip, and the backstabbing?

O'Day takes on the challenges with passion, drive, humor and honesty. With a band of good but crazy friends, tie-dyed dogs, and a demanding team of industry professionals, O'Day hopes to achieve her goals without cracking under pressure.

"All About Aubrey" premieres Monday, March 7th at 10 p.m. ET/PT. on Oxygen.
